OBJECTIVE

Amputee Coalition needed a way to advance health & wellness programs that touched on mental wellness and physical health to increase value and engagement for their members.

They needed a healthcare company that provided their members compliant, evidence based medicine & education.

SERVICES & SOLUTIONS

The Ailm Medical team in collaboration with Amputee Coalition provided a holistic care plan for the association's youth and adult membership and events. Our team, made up of healthcare & technology providers, and hospitality experts developed a full spectrum of health and wellness solutions including webinars, blogs, resource publications, in person speaking, and on-site medical support.

On-site Health & Wellness

Customized Education

Marketing Support

OUTCOME

1

Enhanced Member Programs

Kept the organization and members thriving through holistic health therapies and concepts with a concierge approach.

2

Enhanced Engagement

Their increased member engagement drives revenue and productivity because of the education and resources provided.

3

Resource Asset Database

Provided a multitude of member assets including recorded online webinars, blog resources, newsletter articles, and educational handouts.

4

Concierge Healthcare Management

Access to the most current, evidence based medicine and expertise of healthcare providers, which is ACA (approved, compliant, and appropriate).
